SUBJECT.

Forwards for orders Chitaldrug Deputy Commissioner's letter suggestin that the quantity of grains that can b exported without a license may be reduced from one palla to 20 seers.

Letter No.S.C.713 dated 28th September 1918 from the Deputy Commissioner Chitaldrug District, to the Revenue Commissioner in Mysore, Bangalore.

In forwarding herewith for your information extracts of paras 3 and 4 (will follow as a copy of S.C.No.713/Rev.17-18 is enclosed separately with my letter No.S.C.713/17-18 dated this day to your address) of my letter Ref.on S.C.No.713/Rev.17-18 dated this day to the Chief Secretary to the Government of Mysore in the matter of deputing sowars for duty at Davangere and Harihar, I have the honor to state that for reasons stated therein it seems urgently necessary that the quantity which can be exported without a license should be reduced from one palla to say 20 seers. Taking advantage of the present rule, thousands of people are trying by all manner of fraudulent ways to export large quantities of ragi and in many cases to profiteer at the cost of the charitably disposed merchants of Davangere and to the detriment of the poor people in the District.

that one Palla of Controlled articles requires no license

Apart from the sales on shandy days, people from across the border keep pouring in every day by train and purchase ragi which sells ordinarily at 8 seers per rupee, which is 3 seers more than what it is selling at Ranebennur (barely 15 miles away) and thus our stocks are being rapidly depleted. With a view more effectively to put a stop to this depletion, it is urgently necessary to limit the quantity that can be exported without license to 20 seers as submitted above.

I therefore request that you will kindly move the Government in the matter of amending the rule suitably at an early date.

For Revenue Commissioner.
